- ◆ If you choose to drop a class after the registration deadline date, you must notify the class instructor **AND** your Advisory Teacher. Failure to do so will make you responsible for payment for that semester.
- ◆ Everyone involved in classes must follow the HRACS Code of Conduct. Review it with your child.
- ◆ Parents are asked to **DROP OFF STUDENTS ON TIME** and **BE ON TIME TO PICK THEM UP** (within 5 minutes of the end of class), except where parents are required to remain with students.
- ◆ Please legally park your car before allowing children in or out of the vehicles. Stopping while in the street is not safe or appropriate delivery of your child. While on campus please walk your child through the parking lot to the sidewalk. Everyone's safety is of utmost importance.

## ***Welcome to the HRACS Class Registration Process***

Classes are divided into two categories:

### ***HRACS Classes and Community STAR Classes***

**All classes are on a first-come-first-served basis.**

**Each enrolled student may:**

- register in the HRACS classes of your choice
- TK-8 grade student are allocated 3 STAR Credits per semester to use for Community STAR Classes
- High School students are allocated 2 STAR Credits per semester for Community STAR Classes

**To register for classes follow these steps:**

1. Review the HRACS Classes in this catalog.
2. Review the Community STAR Classes keeping in mind that each TK-8 grade student has a maximum of 3 STAR Credits available to use for these classes and HS has 2 STAR Credits. Parents are responsible for co-pays beyond the STAR credit from HRACS (See additional money owed column when applicable).
3. Use the worksheet provided on the next page to create a list of desired classes for each of your students.
4. Following the registration directions given with each class description, register your child for each class chosen by **Friday, December 12, 2014** regardless of the day the class will start. Please indicate when registering that you are a Hart-Ransom Charter School student and the number of STAR credits you are committing to use.  
**DO NOT negotiate terms outside the published catalog listing. STAR Credits are for use with published courses in the HRACS Catalog.**
5. Prepare the "Class Review Form" at the back of this packet to turn in to your Advisory Teacher with your AWR. If you have questions about them, please contact your AT.
6. Give the number of STAR Credits required for each Community STAR Class to the instructor to complete and confirm your registration. The STAR Credit confirms registration for the class for your student. Note that some vendors may require that your STAR Credit be turned in at the HRACS Ed Center. This is only where noted in the class description and not a general rule allowing all STAR Credits to be turned-in at the Ed Center. Once the registration deadline ends, no class changes are allowed.
7. Note that some courses require online registration and may require registration through HRACS AND the class vendor. You MUST complete both registrations when directed or risk not being added to the class. Read the class descriptions and follow the directions when instructed for dual registration.
8. **SAFETY:** Keeping children safe is of the utmost importance to HRACS. Side gates and classroom doors remain locked during school hours unless supervised by a staff member. When on campus, enter through the Ed Center main entrance. Students are to exit to classes through east or west side doors depending on their class location. All adults proceeding beyond the front office/library area **MUST** sign-in and wear a visitor badge while on campus.
9. **NOTE: STARS do not equal a set dollar amount. HRACS processes vendor course information, reviews the cost of the class and assigns the STAR value. Vendors provide as much detail as possible to assess the class including co-pay requirements, uniform costs, registration fees or other fees not covered by the school.**
